

BUILDING THE FUTURE

OCTOBER NEWSLETTER

The Felderman Difference

"Building Lasting Relationships...Since 1975" is more than a motto to us. In August Iglesia Alianza Cristiana y Misonera Villa Carolina church, located in Puerto Rico, was able to receive a covered breezeway for their parishioners and visitors. Our own Jeff Maines was a part of the team who helped design and build the covered breezeway. We are grateful to have been presented with the opportunity to help support this wonderful project.

Newly Awarded Projects

Carter Hearing

Two years ago, Felderman built the DirectCare Building on the corner of Getz and Illinois Rd in Fort Wayne, IN. Now, we get the distinct pleasure to partner with Carter Hearing Clinics to build their new space in that building. We are thrilled to see the growth of Carter Hearing and watch them continue to deliver exceptional patient care in their new space.

Carpet Cushion and Supply

We are excited to help expand Carpet Cushion & Supply's current Fort Wayne facility an additional 4,800 square feet. This addition will allow them to continue to grow and be the leading wholesale distributor of carpet pad and flooring installation products.
