We Care Holiday Event

This month our design team joined **One Eleven Design** and **Herman Miller** for the annual #WeCare event with the Boys and Girls Club. Our design team won an award for most creative craft!

Every year since 1996, Herman Miller and the Boys & Girls Club of America join forces for the We Care holiday event. We Care gives children the opportunity to create holiday gifts for family, teachers, and friends at a variety of craft stations. For some, it is the only way they can provide gifts for their loved ones. Thank you to One Eleven Design for asking us to be a part of such a great event!

Allen County Christmas Bureau Adopt a Family

Our team had the opportunity to adopt a family for Christmas through the Allen County Christmas Bureau and we could not be more grateful for the chance to fill a need in our community. Thank you to the Allen County Christmas Bureau for providing this opportunity for us to help make this family's Christmas joyful!
