

Building Lasting Relationships... Since 1975

New Year NEWSLETTER

From Our President

Dear Friends,

As we enter into a new year, we like to acknowledge and build upon our strengths and successes. At the top of that list is a Customer First mentality, where we believe wholeheartedly there is nothing more important than steadfast dedication to customers; which allows us to build relationships that last.

We are especially proud of the relationship and trust we have built with Glenbrook Automotive Group. Glenbrook is dedicated to providing great customer service to their clients. We are committed in our partnership with Glenbrook, providing our best service and support, so they are able to shine in their industry as they grow and innovate.

When you choose to partner with Felderman Design-Build, you can trust our team knows what it takes to deliver on your dreams. We look forward to 2024 and opportunities that lie ahead.

Community

Our team has been able to bless a family in this community by partnering with the **Allen County Christmas Bureau**. We provided much needed items as well as some fun gifts so that a family didn't go without this holiday season.

We had a lot of fun decorating a tree for **Riley Children's Hospital** and partnering with J&J Flooring and other Fort Wayne companies to provide trees for kids that couldn't be at home for the holidays!

We had the really fun opportunity to partner with One Eleven Design and MillerKnoll at the 5th annual **We Care** event. The purpose of We Care is to connect with the local **Boys and Girls Club** to design, create, and wrap 3 handmade gifts for the kids to use as presents for family and friends during the holiday season. Several of our staff were able to attend, and we even won "Favorite Craft"!

Felderman Design-Build sponsored the Greater Fort Wayne Legislative Preview Luncheon where we learned about what the main topics for the next session
