

Building Lasting Relationships... Since 1975

FOURTH QUARTER NEWSLETTER

QUARTERLY ISSUE - 2021

From Our President

Dear Friends,

As we head into the colder months and the holidays are upon us, we here at Felderman Design-Build think about how thankful we are to have built lasting relationships with so many of our clients.

We were honored this year to be chosen as the contractor for multiple repeat clients including Pizza Hut, Meijer and Murray Equipment.

We are beyond thankful that Pizza Hut has chosen us continuously since 2011 as their contractor of choice. Together, we have worked on 21 projects here in the Northeast Indiana area! Most recently our team has worked on projects in Hunteertown, IN and Waynedale, IN. We look forward to many more years of being able to provide them with a design build service they can trust.

Here at Felderman, we are truly thankful for every new client and every repeat client that we serve. We want to wish you all the happiest, healthiest holiday season.

Ryan Harris
President, Felderman Design-Build

Community

Last month our team attended the Junior Achievement BEL Awards. Each year Junior Achievement's BEL (Business, Education, and Leadership) Awards event honors business leaders. These men and women are creating jobs, encouraging employee growth and shaping the successful companies that are essential to a community's economy. While fulfilling the personal and professional commitments which ensure family, business and community success, they are also sharing their experience with the next generation, and they are giving time and financial resources to their communities.
