

About

JENNIFER VANDERPOOL

VICE PRESIDENT

Jennifer joined Felderman Design-Build in 2019 as the Director of Business Development and was promoted to Vice President in 2022. Her primary duties are operations, strategic initiatives, working with new and existing clients and community engagement.

Jennifer is extremely active in the Fort Wayne community, serving as a development committee member for both Community Transportation Network (CTN) and Habitat for Humanity of Greater Fort Wayne. She serves as a classroom volunteer for Junior Achievement and is part of their events committee. Jennifer is also helping grow our community through her service on the Greater Fort Wayne, Inc Investor Committee.

Jennifer has her degree in Business Administration and in her free time likes to spend time with her family. She enjoys hiking, ballroom dancing, centering herself with yoga, and binge watching her favorite Netflix shows. She enjoys annual Florida vacations watching her son play football for the Miami University Redhawks, and exploring new local adventures
