

Building Lasting Relationships... Since 1975

FALL NEWSLETTER

QUARTERLY ISSUE - OCTOBER 2020

From Our President

Dear Friends,

As we enter the last quarter of 2020, I'd like to take a moment to thank our customers for their partnerships and continued trust in Felderman Design-Build. It is because of these partnerships that we are ending 2020 strong with projects spanning from Angola, IN to Brownsburg, IN. Industry all over Indiana is growing and we are excited to be working on projects in the manufacturing, restaurant, and retail industries.

This year, we feel especially proud to call Northeast Indiana home as we have seen firsthand the power of coming together as a community instead of falling apart. We truly are stronger together.

Thank you for trusting us to build community.
