From Our President

Dear Friends,

Like so many of you, we have spent the last several weeks learning about the ongoing COVID-19 pandemic as it impacts communities around the world. Our team has been working hard to make necessary adjustments so that we can continue our tradition of seamless service, despite the new changes in our communities.

At Felderman, we have one simple objective that guides us; **keeping our customers and employees safe.**

We want our community to know that we are here to serve and will continue to do all we can to meet your needs. Stay strong, follow the guidelines, and we will make it through this challenging time together.

Thank you for allowing us to serve you.
